Granollers and Hiroshima: stories of overcoming
The bombing of Granollers

• 31th may 1938

• Five Italian planes serving General Franco attacked Granollers

• At 9.05 in the morning, for one minute, on a defenceless city.

• 224 deaths and 165 wounded

• And then, silence
Granollers, a city open to peace

- Recovery, conservation and dissemination of the historical memory
- Promotion of public coexistence
- Education for Peace
- Cooperation to development
- Condemnation, solidarity and welcome
