

**Comment by the Mayor of Hiroshima
regarding the termination of the INF Treaty between the US and Russia**

MATSUI Kazumi
Mayor of Hiroshima

August 2, 2019

It has come to our attention that the Intermediate-Range Nuclear Forces (INF) Treaty between the United States and Russia has officially been terminated.

In February this year, the Mayor of Nagasaki and I visited both countries' embassies in Japan to make known the fervent wishes of civil society.

As signatories of the Treaty on the Non-Proliferation of Nuclear Weapons, the two countries are under the obligation to pursue nuclear disarmament in good faith.

Nonetheless, they have terminated the Treaty without presenting alternative measures, to our grave disappointment.

I strongly urge the leaders of the US and Russia to make earnest efforts for the achievement of a world without nuclear weapons, which is the heartfelt desire of global civil society.
