ごあいさつ

第8回平和市長会議総会に参加されました皆様を心から歓迎申し上げます。この度の総会は、「核兵器のない世界」の実現を目指して「ヒロシマ・ナガサキの心」を世界に一」と基調テーマに、8月3日から8月6日までの間広島市で開催いたします。

1945年8月、広島・長崎両市は一発の原子爆弾により一瞬にして廃墟と化し、両市合わせて21万人を超える多くの人々の尊い命が奪われました。放射線による被爆者の苦しみは今も続いています。その広島・長崎の被爆の実相を見れば、核兵器は「非人道兵器」の極みであり、「絶対悪」であることは明らかです。原爆を身を以て体験した被爆者は、後障害や偏見に苦しむながらも生き抜き、自らの体験を語り、怒りや憎しみを乗り越え、核兵器の非人道性を訴え、核兵器廃絶に向けて尽力してきました。

しかし、未だに世界の安全保障は、核兵器の脅威により平和を保つという「核抑止」に大きく依存する状態が続いています。今こそ、国籍や人種、宗教の違いなどによる相互不信の壁を乗り越え、同じ人間としての共感意識に根差した安全保障体制の構築に向け積極的に取り組むことが必要です。こうした中、昨年のNPT再検討会議第1回準備委員会以降、核兵器の非人道性に焦点を当て、核兵器を非合法化しようとする動きが活発になっていることを心から歓迎します。

平和市長会議には、本年8月1日現在157の国・地域から5,712の都市が加盟しています。この度の総会では、2020年までの核兵器廃絶に向けた平和市長会議行動計画を策定するとともに、ヒロシマピールを採択し、核兵器廃絶に向けた取組の強化と国際世論の拡大を図ります。また、今後の平和市長会議運営体制の充実方策を決定します。

皆様には、被爆の実相への理解を深め、核兵器廃絶を願う被爆者の切実な思いを共有していただくとともに、今後展開する平和市長会議の取組について活発に議論していただくことを心から期待し、総会開催に当たっての御挨拶といたします。

平和市長会議会長
広島市長 松井一 實
Greetings

I would like to express my sincere welcome to everyone attending the 8th General Conference of Mayors for Peace, held from August 3-6 in Hiroshima with the keynote theme of *Toward a World without Nuclear Weapons – Conveying the “Spirit of Hiroshima and Nagasaki” to the World.*

In August 1945, single atomic bombs instantly reduced Hiroshima and Nagasaki to ruins, taking more than 210,000 precious lives in these two cities. Even today, many of the atomic bomb survivors still struggle with radiation aftereffects. A look at the reality of the atomic bombings of Hiroshima and Nagasaki should make it clear that nuclear weapons are the epitome of weapons against humanity – an absolute evil. Our atomic bomb survivors experienced the bombing in flesh and blood. Then, they had to live with aftereffects and social prejudice. Even so, they soon began telling the world about their experience. Transcending rage and hatred, they revealed the utter inhumanity of nuclear weapons and worked tirelessly to abolish those weapons.

However, we are faced with the situation of still having to largely depend on a security system of nuclear deterrence, which attempts to maintain peace through the threat of nuclear weapons. Now more than ever, it is necessary to overcome the barriers of mutual distrust regardless of nationality, race, or religion, and build a security system rooted in a feeling of brotherhood as fellow members of the human race. Amidst this situation, since last year’s holding of the First Session of the Preparatory Committee for the NPT Review Conference, the momentum to highlight the inhumanity of nuclear weapons and outlaw them has been accelerating, a development which I welcome from my heart.

As of August 1 of this year, Mayors for Peace has a membership of 5,712 cities from 157 countries/regions. At the General Conference this year, along with building an action plan for Mayors for Peace with the aims of accomplishing nuclear weapons abolition by 2020, we will adopt the Hiroshima Appeal and work to strengthen initiatives for nuclear weapons abolition, in addition to expanding international public opinion. Furthermore, we will decide on measures to improve the administrative system of Mayors for Peace. Along with having everyone deepen their understanding of the reality of the atomic bombing, and share the earnest wish of the atomic bomb survivors, I hope with all my heart that we will see active discussion regarding the further activities of Mayors for Peace, and offer my best wishes for the holding of this conference.

*MATSUI Kazumi*

1. Silent prayer for peace and repose of the souls of A-bomb victims

In August 1945, a single atomic bomb instantly obliterated Hiroshima and Nagasaki respectively, taking more than 210,000 precious lives. Even today, many of our citizens still struggle with the aftereffects of radiation. This year marks the 68th anniversary of the atomic bombings of Hiroshima and Nagasaki.

In prayer for non-recurrence of the tragedy that befell Hiroshima and Nagasaki, this year again, we hold the Peace Memorial Ceremony in Hiroshima on August 6, and the Peace Ceremony in Nagasaki on August 9. We ask you to offer a one-minute silent prayer for the repose of the souls of A-bombing victims, as well as for world peace, at the moment the atomic bombs were dropped – 8:15 am on August 6 for Hiroshima, and 11:02 am on August 9 for Nagasaki.
