| Summary of the meeting | <ol style="list-style-type: none"> 1. Introduction. Few words about Japan and the possible suppositions of the bombing 2. Manhattan project, the bombing of Hiroshima and Nagasaki, the development of nuclear weapons 3. Hibakusha's experience 4. The aim of the Peace Memorial Ceremony 5. A historical view on nuclear abolition and what obstacles people can face 6. Conclusion. 7. Questions from the students and expressing their thoughts. <p>The aim of this little conference was to explain to my classmates what nuclear weapons is, how terrible it can be and what peace building is. I got only positive responds from the students and I really saw the understanding in their eyes. I am going to enlarge my report and defend some theories of peacebuilding in the conference that will take place in our Sakhalin State University in April.</p> |
