

Meeting Report regarding Mayors for Peace Support Program for “HIROSHIMA and PEACE”

Name : William Reynolds

Member City (Country) : Manchester, UK

Title of Event	Hiroshima and Peace and Mayors for Peace Summer School
Date	25/11/2018
Venue	The University of Manchester, UK
Attendants	Students of the University of Manchester, UK
Number of Attendants	Approximately >10 persons
Summary of the meeting	<p>I described my trip to Hiroshima, the Mayors for Peace Programme and the Hiroshima and Peace Course. I gave details of the lectures, living in Hiroshima, the events attended (such as the memorial service and the Hibakusha testimonies).</p> <p>Most of the students there were from my course, MA Peace and Conflict Studies (2017-2018) and while this is their major relates to peace theory, peacebuilding and conflict prevention, their interests varied among international relations, politics, international development, human rights and democracy.</p> <p>They were interested in the course as a whole and my experience of Hiroshima. Especially the structure of the course, and particularly about the meeting with the Mayor and the Hibakusha. They also were interested in the history of Hiroshima as a city and about the Atomic bomb dome. Also I gave them information about Mayors for Peace and their role in the course.</p>
Notes (related materials, links, etc.)	I used the information and materials from the Mayors for Peace website and given by the Hiroshima and Peace course.
