

Meeting Report regarding Mayors for Peace Support Program for “HIROSHIMA and PEACE”

Name : Farzaneh Nazari

Member City (Country) : Tehran (Iran)

Title of Event	Hiroshima & Peace 2018
Date	2018/Oct/15
Venue	Tehran Peace Museum
Attendants	TPM managers Volunteers of Tehran Peace Museum
Number of Attendants	Approximately 16 persons
Summary of the meeting	<p>The meeting had three main parts: 1- Narration of Hiroshima disaster 2- Japanese culture 3- Nuclear weapons and the risk of Nuclear energy</p> <p>In the first part, I explained about what happened in Hiroshima and the history of Hiroshima & Nagasaki bombing and the extensive effort to rebuild Hiroshima.</p> <p>Second part was about what I saw in Japan and the different aspect of Japanese culture that I have chance to observe. And also the precise experience of home stay.</p> <p>Third part, the most important one, was about the fact of the disaster that the nuclear weapons can cause and the risk of nuclear energy for future generations and as a new example, Fukushima was investigated.</p> <p>In this part, I also explained the structure of nuclear energy and discussed about the Iran's strategy for use of nuclear energy in future.</p> <p>At the end of the discussion, we had consultation about my action plan for continues cooperation between Iranian secretariat of Mayors for Peace and the active cities.</p>
Notes (related materials, links, etc.)	<p>I used the material from the lectures that we had at Hiroshima City University and the 2020 Action plan of Mayors for Peace.</p> <p>The photos in presentation were those that I took in Hiroshima.</p>
