Hibakusha told me
in detail

strong desire

Respond and sign....

Respond and sign....

Elderly people > young people

Respond and sign....

Elderly people

friends or relatives

Respond and sign....

Elderly people

friends or relatives

who were victims of
the atomic bomb

Respond and sign....

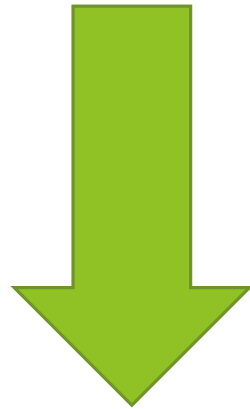

young people

concerned about the future but
only have superficial knowledge

Hibakushas' average age is
over 82.

Hibakushas' average age is over 82.

A few years
from now

may not be able to listen to
stories from Hibakusha.

First...

Need to know medically
about their pain and wounds

First...

Need to know medically
about their pain and wounds

First...

Need to know medically
about their pain and wounds

it may helps us to understand
the victim's feelings

The Truth behind Those Killed in the A- bomb

imagine how inhumane nuclear
weapons are

Can? or Can't?

In order that Youth
sympathize with
Hibakushas' feelings

In order that Youth
sympathize with
Hibakushas' feelings

The best way is...

In order that Youth
sympathize with
Hibakushas' feelings

The best way is...

- Visit Hiroshima

In order that Youth
sympathize with
Hibakushas' feelings

The best way is...

- Visit Hiroshima
- Look at the actual wreckage
