We want to hold a peace event in August to commemorate the atomic bombings and help everyone, even children, understand the importance of peace, as well as provide our community with an opportunity to reflect on peace. What should we do?

Message from the Artist

I created this work hoping that the peaceful days when we hold hands with our family and people around us and smile together will continue forever.

So, all we need to do is print them out? That's easy!

Muntinlupa, Philippines

Be sure to send us a report on how the exhibition went after it ends along with pictures. We hope you'll have a great event!
